July 14, 2021

Regional Representatives, Company Presidents, and Daughters of Utah Pioneers:

Greetings to all!

We are excited to soon be celebrating Pioneer Day on July 24. This year marks the 174th anniversary of the Vanguard Company’s entrance into the Salt Lake Valley. We honor Harriet Wheeler Decker Young, Clara Decker Young, and Ellen Sanders Kimball - the three women who were part of this company. These women proved to be a great blessing for the men and children, and will always be an example of courage and sacrifice to their descendants.

- On June 19, 2021, the dedication for ISDUP Marker #589 “Old Flour Mill,” was held in Fountain Green, Utah. Many descendants of those associated with this mill as well as members of the ISDUP Board were in attendance. We
congratulate the local DUP groups who worked with the planning, designing, and building of this beautiful marker.

- Daughters of Utah Pioneers have placed 590 markers around the world to memorialize events in pioneer history. Local camps and Companies own these markers and are stewards for their care. Please make yourselves aware of the markers in your area and watch over them. Contact our Marker Department if you have any questions or concerns.

- *Tales of Triumph* Volume 4 is available for purchase in both spiral bound and hardbound books. The prices remain the same - spiral bound books at $15.00, hardbound books at $20.00.
  - Books can be ordered online or purchased at the Museum. Curbside pickup is available on Tuesdays and Thursdays by making a reservation with our secretary at 801-532-6479.
  - All books purchased by individual members of camps count as a camp purchase toward the four-book requirement.

- June Convention/Seminar training has been provided in video form. The series of five videos are available from the ISDUP homepage. They include: President’s message with treasurer report; training for all officers; secretary training; treasurer training; and registrar training.

  All members of DUP can view any of these training videos. They will remain on the website for camp and/or company use.

- A friendly reminder to all camps: It has sadly come to our attention once again that some Daughters are turned away from joining a camp for unacceptable reasons. DUP promotes the spirit of inclusiveness for Members wanting to join a camp. Excluding members for any reason is not allowed. When a camp size has grown and cannot be accommodated in the available facility, capping the membership number is not the solution. Rather, dividing a growing camp is required according to our *Bylaws and Constitution*. 
• There are several ongoing research projects in our Museum as well as openings for docents. If you would like to volunteer your time to help, contact our Museum Secretary to leave your contact information. We welcome you!

• From the ISDUP Treasurer:
  The end of the fiscal year has arrived. Please take note that all Camp Annual Financial Reviews are due to your Company Treasurer by June 15, 2021, and that all Company Annual Financial Reviews are due to the ISDUP Treasurer by June 30, 2021. For detailed information, reference the June 2021 Bulletin.

• The song recordings and sheet music for 2021-2022 DUP meetings are available online at the ISDUP website. Music CDs will no longer be produced.

• The History Submission Form has been simplified. Please use the new form available under the Forms tab on the ISDUP website.

• To Company Presidents and Camp Captains who have museums of any kind, please send the following information to ISDUP Satellite Museum Coordinator Isabell Stringham at satcoor@isdup.org:
  - Any information on the website about your museum that needs to be updated.
  - Name of camp or company responsible for the museum.
  - Type of museum, i.e., cabin, display, building, etc.
  - Name, phone number, and email for the museum contact person.

• Legacy Daughter's Memorial:
  - Submit Member or Associate death notices to the Membership Department rather than directly to the Legacy Editor.
  - Submission is handled through a Record Change Form or by sending an email to: membership@isdup.org. An obituary copy is appreciated.

• District Conventions have been suspended for this year. Local Companies may make their own decisions about holding Jubilees or training meetings through 2021.
- Camp Rosters in their new format have been sent to company presidents. In any case where leadership changed during the mailing process, please pass on the materials.
  - Instructions for submitting dues/fees were mailed along with the Rosters. Contact our Membership Department if those instructions were left out.
  - International Dues for Members and Fees for Associates are $15 for the 2021-2022 year.
  - We appreciate your patience while we transition into a new membership database. The final product will be wonderful but there are growing pains in the meantime!

- Headstone Medallions are available for purchase in the Museum for members of Daughters of Utah Pioneers. Please have the membership number of the daughter for whom it is being purchased when ordering.

- Computer Phishing, Scams, and Hacking continues!!! The officers of ISDUP will NEVER call or send an email asking for donations, money, gift cards, or personal information.

Thank you for all your hard work, enthusiasm, and support for Daughters of Utah Pioneers. We ask you to pass on this information to your companies and camps.

Sincerely,

ISDUP Executive Committee
