#### PIONEER HIGHLIGHT — ZINA D.H. JACOBS YOUNG

By Annette Jacobs Hansen Sanpete North Company, Sanpete County, Utah

**Zina Diantha Huntington Jacobs Young** was an amazing woman. She is my great-great-grandmother and here is her story.

The Huntington family was one of the first European Puritan families to come to America in 1633. Her father William Huntington Jr. fought in the War of 1812. Her great uncle Samuel Huntington was a signer of the Declaration of Independence. This patriotic family gave Zina a rich background and heritage.

The Huntington Family joined the saints in Kirtland, then to Far West and on to Nauvoo. At Kirtland, she met her lifelong friend Eliza R. Snow.

Soon the saints left Nauvoo amid persecutions and the loss of most of their worldly goods. Zina and her husband, Henry B. Jacobs, left Nauvoo in February

Zina Diantha Huntington Jacobs Young

1846. As they left, Zina wrote, "Shall I ever forget that day. It was cold but clear, the bells were tolling, the temple was on fire, Major Russell's wagon was sinking on the sand bar in the river, and we were fleeing into the wilderness not knowing where we should ever find peace. But I knew this to be the work of the Lord, that He would preserve us, but not before He had tried our faith to see if we would follow His prophet."

Zina arrived in Salt Lake City in 1848. By 1880 Zina was working with Eliza R. Snow to restore the Relief Society as it had been in Nauvoo when they were both members. Zina was treasurer then first counselor to Eliza for 21 years. During this time Zina and Eliza traveled thousands of miles through much of Utah, "assisting in encouraging and strengthening the various organizations."

Many times, they would hold a Women's Suffrage Society meeting after the church meeting was over. Zina helped start a nursing school and a hospital. Zina was a trained midwife and delivered around 1,000 babies.

Zina was defiantly an advocate for the women's right to vote. As Relief Society President of the Church, she attended many suffrage meetings in the East. She was a friend of Susan B. Anthony. Zina was Vice President of the National Council of Women. Zina must have had the gift of persuasion and conviction; imagine her attending a large crowd of women, speaking about a very controversial topic. It would have taken an extraordinary amount of self-confidence and commitment to speak and represent Utah.

It seems I have always known about Zina. I have a sense of pride and belonging as a descendant and a responsibility that I live my life to bring honor to their names.

#### **MEMORIAL TO HELEN GRANT**

Helen Robinson Grant

We wish to make you aware of the passing of yet another of our past presidents, Helen Robinson Grant. Helen was a charter member of the Olympus Camp of Salt Lake Olympus Company. Helen was elected as first vice president to President Eileen Dunyon in 1987 and elected National President October 5, 1990. She presided graciously over the International Society Daughters of Utah Pioneers until October 4, 1991, the

ninetieth anniversary of the organization. She is still remembered as an outstanding representative of DUP.

#### CHINESE ASSOCIATION VISITS EVANSTON

A delegation from the Chinese Railroad Workers **Descendants Association** accompanied ISDUP President Cheryl Searle to Evanston, Wyoming on May 2nd as part of the 150th celebration of the completion of the transcontinental railroad. The tour began with the delegates and several local people meeting at the Uinta County Museum. Kay Rossiter, Museum Director, acting as tour guide took everyone to the Joss House (a replica of the original Chinese temple in Evanston burned in 1920) to tell the story of Evanston's Chinatown through the artifacts and diorama on display there. The Chinese guests explained many of the artifacts facts from their culture and interpreted some of the items written in Chinese to the local residents attending the tour.

Jim Davis of the Evanston Preservation Committee, then led the group down China Mary Road past the Chinatown archaeological dig of 2014 and the location of Evanston's Chinatown during the 1870s-1920s. The next stop was the Evanston City Cemetery where Joe Cox, Sexton, took over as tour guide. We visited the graves of China Mary and Mormon Charlie, two well-known Chinese in Evanston's history. We then went to two other plots where the Wong family are buried. Margaret Yee, chairperson of CRWDA, was very excited as the Wong's were part of her family from her ancestral village in China. Again, the Chinese interpreted the Chinese writings on the headstones.

The last stop was at the Roundhouse in the Railyards where Dudley Gardner, archeologist, presented a power point about the dig and further history of the Chinese in Wyoming.

The tour was hosted by Cheryl Searle, President of ISDUP and member of Utah Governor's Spike 150 Commission, and Donna Ludvigson, President of Uinta Wyoming Company. Other arrangements were made by Jim Davis of the Evanston Preservation Committee, Kay Ann Saxton, Wyoming Regional Representative to the ISDUP Board; Kent Williams, Mayor of Evanston and Nancy Stevenson and Mickey Cox, Evanston city

Ruby Norris, current outreach chair of Uinta Wyoming Company, and Ruth Robbins, newly appointed outreach chair, worked cooperatively with camp members to have displays in the Uinta County libraries in Evanston, Mountain View and Lyman as part of the sesquicentennial celebration.

#### WHAT'S IN A NAME

By Maurine P. Smith, former ISDUP President Contact the History Department for the full article

Daughters, do you know why your camp name is what it is? Is it Susan, Jeanette, Henry D. Moyle or #30, or is it Camp G? Why was that significant to the ladies who organized it in the first place? Perhaps you were one of the Charter Members so you know all about it. But do the newer members know?

One day, while I was International Registrar, I received a call, asking permission to give their camp a new name, "because the name, 'Camp 30' certainly didn't have much going for it." I asked her if she knew why their camp was "Camp 30"? Of course, she did not. I asked her what Ward in the city did she belong to. She replied, "The Thirtieth Ward." Why was it called the Thirtieth Ward? Because it was the thirtieth ward organized in Salt Lake City. In the early organization of DUP the leaders from "Central Camp" would visit a ward Relief Society and make an announcement that she would conduct a short meeting after Relief Society for the purpose of organizing a Daughters of Utah Pioneer camp in their Ward area. Anyone interested in joining were invited to attend. A new camp was begun just that way and named for the Ward it was in. The daughter was much more impressed with being a member of "Camp 30," they were truly a pioneer camp.

#### POWELL EXPEDITION SESQUICENTENNIAL

By Kay Ann Saxton, Wyoming Regional Representative

The Sesquicentennial Colorado River Exploring **Expedition** (SCREE) departed from Expedition Island in Green River, Wyoming, May 24, 2019. It was 150 years ago that John Wesley Powell launched his boats from the same spot to explore the Green and Colorado Rivers.

Major John Wesley Powell, and his crew of nine men, launched their four boats into the river directly off a Union Pacific flatbed railroad car. This was possible because the Transcontinental Railroad had just been completed in the Utah Territory just two weeks earlier. Powell shipped the expedition's four boats directly from Chicago to the launching point at Green River Station, now known as Green River, Wyoming.

The commemorative launch by SCREE ended two days of activities and events in Green River. As an outreach project the Uinta Wyoming Company DUP put displays in the Uinta County Libraries in Evanston, Mountain View, and Lyman.

ISDUP has three markers telling the stories at locations along the Green and Colorado Rivers: 26, the Jensen (Mau-be) Ferry at Jensen, Utah; 208, The Powell Survey at Kanab, Utah; and 350, Lee's Ferry at Lee's Ferry, Arizona.

### Camp and Company News

#### **OUILT DISPLAY HONORS COMPANY HISTORY**

Madison District Company, Rexburg, Idaho celebrated their first district convention this year. The past was honored in a guilt that shows the original 12 camps. Lela C. McCulloch, a faithful member of Daughters of Utah Pioneers for 55 years, created the quilt. Several years ago, she invited each camp of the Madison Company to submit a guilt block reflecting each Camps' unique identity. She put them all together doing the quilting and binding. We honor her memory and dedication to DUP through the years. She filled every position in her camp several times and was Company President for four years. What a sweet legacy of history she gave us.

#### **OLD FORT HALL OUTING**

Pocatello. Bannock. Idaho North and South **Companies** were invited to gather together in May at the Old Fort Hall replica. About 50 Daughters were in attendance. The meeting took place inside the museum building. Their hostess, Jacquee Alvord, presented a history of Fort Hall and the surrounding area. She brought to life what it was like for those first inhabitants who built the fort. Old Fort Hall has a story to tell. It is a story of the most thrilling periods of Western American history. A young nation full of adventure and yearning for new beginnings started the trek westward. It reminds us of the strong will, determination and faith it took to overcome many obstacles, conquer a vast wilderness of uncertainty and hope for a better life.

Members of Pocatello, Bannock, Idaho North and South Companies attend an outing at Old Fort Hall.

#### **SOBOBA CAMP ATTENDS CONVENTION**

**Soboba Camp**, of Riverdale Company, attended their annual district convention held in Hemet, California earlier this year. The theme was Native American Culture and its effect on the settlement of Utah Territory from 1847-1869. Guests were Maryann Jensen, from ISDUP and Mary Fellers, the Regional Representative. Company presidents attending were Marlene Anderson, Inland Empire; Bettie Wilson, Riverside; Diane Miller, San Bernardino and Kathleen Rask, Victorville.

The Soboba Indian Reservation from San Jacinto, California provided the entertainment. Carrie Garcia demonstrated making Indian baskets and Mike Madrigal sang bird songs and explained the history of Bird Singing. Those attending were enriched and the convention was a success.

#### **GINGERBREAD SOCIABLE**

Valley Ranchero Camp and Euclid/Indian Hills Camp, of the Inland Empire Company, Southern California, joined forces earlier this year and provided the program and crafts for the Pomona Library Gingerbread Sociable which honors Laura Ingles Wilder who wrote Little House on the Prairie.

Children enjoyed making pioneer Leav-in's Dolls and listening to stories about the dolls. They played Flip the Can and "Buzz Saw" Cat's Cradle. There was a "museum" of artifacts where the children and their parents could visit and listen to stories. More than 50 children had a great time.

Left to right: Marlene Anderson, Janice Peterson, Karen Harding, Becky Franklin, Segrid Sabuck, Monika Tolman, Marilyn Larsen. Present but not pictured were Donna Dresp and Kathy Casler.

# DESERT ROSE CAMP SOCIAL AND CHARTER MEMBERS

**Desert Rose Camp**, of Washington East Company, St. George, Utah was chartered September 10, 1997. We would like to honor three of the original members still in our camp: Dorthea Horrocks, Betty Strong and Connie Seamons. Their DUP service and experiences are deeply appreciated by all in our camp. Thank you Daughters!

Left to right: Dorthea Horrocks has been a member of DUP for 50 years, Betty Strong has been a member for 36 years and Connie Seamons has been a member for 56 years.

They have a combined membership of 142 years in DUP.

#### **GOSHUTE INDIAN ENCOUNTER**

For the closing social of the **Flat Iron Camp**, Salt Lake Far Southeast Company, we invited Virgil Johnson, a local, state and national Native American Indian leader, to tell us about the native Utah Indians. We learned a lot about their culture, homes and food. We learned how to harvest pine nuts and how the nuts were used. Virgil brought a medicine wheel for each Daughter to make. This activity was a great learning experience about who came to the Salt Lake Valley.

#### A VISIT TO THE MORGAN DUP MUSEUM

**Morgan Company**, Morgan, Utah, has six camps with Kim Folk, as the Company President. Every year, the Company provides a full morning of Pioneer History and games to fourth grade students at Mountain Green Elementary and Morgan Elementary.

This year, there were six areas. Dorothy Little taught what family life was like. Barbara Moyes, and others, led a scavenger hunt in the museum. Rachel Turk and Linda Smith, from the Morgan Historical Society, told pioneer stories in the Relic Room. Clifton Jenkins and his daughter, Melissa, talked about bees. The Hardscrabble Camp Daughters taught how to make a button game. They also played the i-Palm Game by writing the name of their ancestor on their palm and saving it with their thumb. If they did not know the name then they would search with their finger button. This led into a discussion about how important it is to know your ancestors. Each student received a slice of bread with honey butter.

#### PRESTON DUP MUSEUM OPENS!

The **Franklin Company** found a home for their artifacts in a new museum in Preston, Idaho. The Grand Opening was in June with Mayor Mark Beckstead in attendance. Building owners Doug and Sandra Webb donated some space in a small building for the museum. The Museum has many items that came across the plains with the settlers of Franklin County. On display is a pioneer sitting room, kitchen, and tool room. The tools hang on boards donated from Harold B. Lee's family barn. The Museum, located at 115 E. Oneida Street is open June through August, Fridays and Saturdays, from 11 am to 4 pm and by appointment.

#### HANKIES FOR PIONEER CEMETERY

Maintaining the Union Pioneer Cemetery in Sandy, Utah is a big responsibility of the Far South East Company. To cover the costs of mowing, trimming, watering, repairs, etc., the Jordan River Temple Handkerchief Project was born.

Laced-edged or hemmed handkerchiefs are machine embroidered with the Jordan River Temple stitched in one corner. Mavis Glad, Marlene Maxfield and Debbie Elggren, a

friend of DUP, took orders for this labor-intensive project. In a three-month period using two bolts of fabric and 562 yards of lace they made over 500 handkerchiefs. Time and materials were donated which resulted in \$2,880.00 for the Pioneer Cemetery Fund!

#### **ALENE BELL TUFT**

Alene Bell Tuft

Alene Tuft, 98 years young of Monroe Canyon Assisted Living, Monroe, Utah, received her 60-year membership pin from Constance Huntsman, ISDUP Vice President and Historian.

During a visit with Alene, Mary K. Outzen, Sevier South Company President, learned Alene had been a member of DUP for sixty years. This conversation set the wheels in motion. Mary and Susan Outzen made plans to obtain the

pin without Alene's knowledge in order to surprise her.

Alene joined Camp Monroe Mountain in 1958. Since then she has belonged to camps in Walla Walla, Washington, St. George, Utah, Richfield, Utah and finally coming full circle by transferring her membership from Camp Kimberly in Richfield back to Camp Monroe Mountain, Utah.

On hand for the surprise presentation were Alene's daughter Mauri, Camp Kimberly Captain Vanez Butler and members Peggy Mendenhall, LaRue Larsen, Dorothy Henrie, Dianne Brienholt and RaNae Jackson. Alene also received a DUP headstone medallion from her dear friend Deidre Hansen.

DUP International Board Members recognize the influence for good and unselfish service of each of these daughters and express condolences to their loved ones.

#### **SPIKE 150 WAGON TRAIN 2019**

Stacy Bliss is a member of Salem
Camp and Pam Dudley is a member of
the Steven Markham Camp. Both
camps are in the Utah South Center
Company.

Stacy Evans **Bliss** is a member of Salem Camp, Utah South Center Company in Utah. She is proud of her pioneer heritage. Her grandmother, Jane Evans, was a member of the DUP Spanish Fork Camp. Stacy has been participating in wagon trains for over 23 years. She has an authentic freight wagon and four Belgian draft mules that pull the wagon. This is what she does for vacations and this year she and 140 other people traveled in 21 wagons with 97 animals, 74 trucks and 86 trailers headed for Promontory Summit, in Utah.

The wagon train started with the "Opening Ceremony for Spike Week," which was an All Horse Parade in Brigham City, Utah beginning on May 4th, 2019. The wagon train consisted of 140 people, 21 wagons, 97 total animals, (horses and mules) 74 trucks and 86 trailers! They were their own little traveling community moving down the trail and into camp.

Stacy says, "Our rides are very spiritual. We take our children and grandchildren and become a moving community. I was very proud to display my DUP flag on our wagon as we participated in the Spike 150 wagon train."

Over a two-day period, the wagon train allowed children and adults to climb on the wagons and take pictures. They talked to the visitors about the wagons and their history. They had thousands of visitors.
