#### **ISDUP CONSTITUTION ARTICLE II**

The objective of this organization shall be to perpetuate the names and achievements of the men, women, and children who were the pioneers in founding this commonwealth: by preserving old landmarks, marking historical places, collecting artifacts and histories, establishing a library of historical matter, and securing manuscripts, photographs, maps, and all such data as shall aid in perfecting a record of the Utah pioneers; by commemorating their entrance into the valley of the Great Salt Lake on July 24, 1847, and such other events and days as are important in the early history of this community; by publishing historical material; and by reviewing the lives of the pioneers; thus teaching their descendants and the citizens of our country lessons of faith, courage, fortitude, and patriotism.

This organization is international in its scope and is organized solely for historical, educational, and public purposes; it is non-political and nonsectarian.

Excitement is contagious. We certainly received a wonderful dose of excitement as T. C. Christensen, producer of *Forever Strong*, 17 *Miracles* and many other movies, spoke to us at International

Cheryl R. Searle

Convention. Those in attendance enjoyed his insight into special moments in his films where he was able to draw on his own experiences in life. He brought us tears and laughter as he strolled through the adventures of making his movies.

A lovely convention started off with the election of new officers for 2017-2019. Welcome aboard to the new officers. We extend appreciation and love for their many years of service to those who are leaving the Board: Maurine Smith (24 years), Joan Waite (6 years), and Nadine Boudrero (8 years).

Along the way, Daughters, we need to have fun. This work is fun and challenging and we — like our pioneers — need to sing, dance, laugh and enjoy each other.

This is a wonderful time of year to ponder and reflect on all that has brought us to this place. Let us express gratitude to those who

have taught, assisted, and lifted us up, especially our Savior, Jesus Christ. Without His encompassing love we could never endure. Let us share our heritage with our families and extend an invitation to our daughters and granddaughters to reach out, grasp, and enjoy their heritage in this wonderful organization.

We have much to accomplish in the year ahead. The board is already hard at work meeting and discussing ways to improve our communication with all of you. We have teams set up to review many of our systems with the goal of improving our technology, streamlining our processes and providing greater service. Finalizing the FamilySearch project will be at the top of the list. We welcome your suggestions and ideas along the way. We want to hear from you. It is important to keep in mind the objective of this organization in all that we do. Please always remember we are all volunteers in this work

As we embark on this journey, we must pause and reflect with gratitude for our beloved pioneers. As they were preparing to begin their journey, what thoughts must have come to their minds? Were they boarding a ship isolated and alone? Were they thinking about being the lone individual out on the trail? Were they thinking about all that they had for themselves to carry them through? They were faced with the stark realization of walking away from all they had and leaving the comfort of their homes and the communities they had built. They didn't do this just one time, but several times as they made their way west.

I have pondered these thoughts as I have walked in their footsteps. What I have come to know is they didn't do it alone. They had their families, their community members, their leaders, the Lord and angels attending them along the way. They were never alone.

We, as their daughters, also are never alone. We humbly acknowledge with gratitude the great blessings bestowed upon us because of this great pioneer heritage. We have the love and support of each other through our wonderful camp and company associations, led by a Board who loves and supports you in all you do to move this amazing organization onward.

There may be times when you feel the road ahead is all uphill and you are ready to give up. I say to you, we **CAN DO** hard things. Together we can face any challenge as we move along on the trail. The Lord is always by our side and we do have angels attending us. This work is greater than we are. It is our heritage to pass on from generation to generation. Each one of us brings gifts and talents to the table. May you be willing to share those gifts and talents and to lift others.

Enjoy a wonderful Thanksgiving and Christmas. Share your gratitude with those you love. Let your light shine brightly that it may guide those on the trail to find their way. We, as your Board, love you all. May the Lord bless you and this grand organization in all we endeavor.

#### **TOOELE COMPANIES HOLD CONVENTION**

Earlier this year, the **Tooele County Company**, Tooele, Utah, held their annual convention. Announced at the convention was the formation of the new Tooele-Grantsville Company with Sharon Smith serving as President. All three company presidents and their respective board members were installed, including Judy Schneider for Tooele County Com-

pany president, and Myrna Dalton, for Tooele Valley Company president.

In June, Judy Schneider, Tooele County Company President, conducted the sesquicentennial celebration of the old Courthouse DUP Museum and annual Jubilee at Pioneer Plaza in Tooele. A short program recounted the history of the Courthouse, built

1867. Margaret Hinton, Miss Tooele City, played a violin solo, "Come, Come, Ye Saints." Attending the ceremony were City Councilmen Brad Pitt and Scott Wardle, and City Councilwoman, Debbie Winn, who spoke of her pioneer ancestor, Maude Adams, a famous 1800s actress. Present were KayeAnn Saxton, ISDUP Director of Satellite Museums, and Maurine P. Smith, ISDUP President. The companies hosted tours of the building and helped guests look up their ancestors who settled the area.

There are other interesting DUP structures and artifacts from the Sons of Utah Pioneers on the plaza. The museum is located at 57 East Vine in Tooele, Utah. A special thanks to those who contributed time and materials to the preservation of the Courthouse DUP Museum and other projects.

#### WASHINGTON WEST COMPANY

Daughters of the Washington West Company continue to catch the vision of our theme: Daughters of the Future...Keepers of the Past. During our Convention held in April, this vision was very evident, as Tenny Odlum, once again, visited our Company event.

Hortense "Tenny" McQuarrie Odlum was the benefactor for the building of the McQuarrie Memorial Museum. Built in 1938, the building displays artifacts, photos and histories of those early pioneers who settled in St. George, Utah and the surrounding communities. Tenny's visits have always brought increased strength and commitment to continue in our efforts to preserve the memories of our beloved ancestors. Our amazing international board member, Ellen Jeppson, added to our dedication through her many stories and experiences. The tears and laughter were evidence of the love each Daughter has for our pioneers, their hardships and sacrifices.

Each Daughter of the Washington West Company left this Convention with renewed enthusiasm and commitment to do her part to become Daughters of the Future...Keepers of the Past.

#### SYRINGA CAMP CLOSING SOCIAL

In May of this year, the **Syringa Camp**, Brigham South Company from Moreland, Idaho, went on a day trip to the Old Camas Cemetery, Camas, Idaho, for their closing social. A

significant part of the social was to place a Sons of Utah Pioneers medallion on the marker of Stephen Hardcastle, a great, great uncle of Bonnie Dixson, of the Syringa Camp. Attending the social were Bonnie Dixson, Zenith and Phyllis Baker, Marge Waitman, KayLyn Voyles, Kelley Faler, Cora Jean Taylor, Janet Christensen, Elouise Draper,

Sharon Wright, Jean Sommercorn and Barbara Rausch.

In preparation for the trip, Bonnie and her friend, Barbara Rausch, researched the location of the marker at the Hamer Library and found the location in an old Hamer History book. Bonnie and Barbara worked with Scoutmaster, Trevor Belnap and the Scouts of BSA Hamer Troop 26 of Teton Peaks Council, who cleaned up the area, repaired the fence enclosure and reset the marker which had been buried in the sand. On the day of the social, Trevor met the Daughters and escorted them to the cemetery, where he shared what the troop had done. Bonnie Stoddard, a historian of the area, shared interesting stories about the Clark County area. Trevor placed the SUP medallion on the marker.

The camp also enjoyed going through Heritage Hall Museum in Dubois, Idaho, and seeing many of the pioneer artifacts there. All enjoyed eating at the Sandhole Café in Hamer before returning home. It was a great day and a good way to close our DUP year.

#### **COPPER HILLS CAMP SOCIAL**

Copper Hills Camp. Salt Lake West Company, Salt Lake City, Utah, had a good time at their closing social and luncheon in May. Tad Packer brought some of his artifacts for the camp to enjoy. He also brought a sheep camp the Daughters could go through. Other artifacts were an old gun, an old blanket,

oil lamps, and other items. Originally, the sheep camp had iron wheels on it. Peter Jacobson purchased the camp in 1905. Later, Gloyed Green bought it for one hundred and forty dollars to use for hunting. Sometime later, the original iron wheels were replaced with rubber tires. Today the sheep camp is restored and used on weekends for camping. Tad and Susan get a lot of curious "lookers" checking it out!

#### **HONEY BEE CAMP**

For our closing social the **Honey Bee Camp**, Salt Lake West Company, Salt Lake City, Utah, shared our Pioneer Heritage Charts with each other. We put them in a "family tree" format with portraits of our ancestors and some of us even added our children. What fun to see the different ideas and look at pictures, names and even tell stories of our pioneers!

Photo Back Row L-R: Susan Brewer Larisa Cosman, Earline Kvist, Diana Mansfield, Donna Bawden, Captain Kerry White. Front Row L-R: Karen Foster, Suzanne Hansen, Melanie Dewsnup.

#### **SUN BONNET SISTERS**

The Closing Social for the Sun Bonnet Sisters, Salt Lake West Company, Salt Lake City, Utah, was at the Joseph Smith Memorial Building. We took a tour of the building, saw their chapel and the movies that are shown there. We walked Temple Square and ended up at the Lion House for lunch. It was a lovely day. The Joseph Smith Building is very beautiful and it was nice being there.

#### **HUNTINGTON CAMP**

**Huntington Camp** from Huntington, Emery Company, Huntington, Utah, enjoyed a visit to the McCune Mansion and the Pioneer Memorial Museum in September for their opening social. We would like to thank the Daughters who took their time in showing us the McCune Mansion and the Museum.

#### **DUP OPENS ITS 131ST SATELLITE MUSEUM**

In 1977, the Canal Creek Camp, Sanpete North Company, Spring City, Utah, bought the 1899 old red brick elementary school with the idea of using it for their museum and meeting place. Too costly to restore, the camp sold the building to the City with the understanding the Camp would have a room for a DUP museum. The Friends of Historic Spring City put decades and millions of dollars via grants, donations, fundraisers, and working with the City, to complete

the school's restoration. On July 24, 2017, the DUP museum opened displaying a room full of artifacts.

The DUP Museum is located inside the restored Old School Community Center at 45 South 100 East Center, Spring City, Utah. The museum hours are Monday through Thursday, 8:00 am to 4:00 pm. It is also open most Fridays and Saturdays 12:00 to 3:00 pm. For appointments and tours call Carla Nelson, 940-224-0857.

#### ELMA TAYLOR CLARK CAMP

Daughters Norma Edgar and Cherry Mae Smith-Black, Elma Taylor Clark Camp, Cassia Idaho Company, Idaho, visited Declo Elementary School, Declo, Idaho, in May of last year. Mrs. Mendenhall's 1st grade class attended the presentation. Cherry Mae told of the Declo area, originally called Marsh Creek, and shared stories of the pioneers who came to Declo and Utah. Norma told a story of how the pioneer apron was used to collect items. Games were explained and the students divided into small groups to play Buttons on Strings, Hot and Cold Thimble, Button-Button Who's got the Button and Stick Pull. Each child received a small loaf of homemade bread. It was a good time for all!

## Pioneer Women of Today

#### **ELVA JANEAL COOK JENSEN**

Elva Janeal Jansen

Born July 4, 1937, Janel was the second child of Kenneth and Verla Clark Cook's six children. She enjoyed helping on her dad's dry farm south of Ririe, Idaho. Janeal married J Duane Jensen, a farmer from Rockford, Idaho and went from the classroom to the field. She even drove tractors! In early 1977 Janeal's Grandmother Clark invited her to join DUP. Janeal's mother also joined making it three generations. By September of 1977, she became the Lesson Leader and still holds that position. She adds sparkle to the lessons by sharing treasures

she finds. Everyone likes her because she talks loud. She does a good job and we honor Janeal for her long outstanding dedication and service. Janeal is a member of the Parsons Camp, Bingham South Company, Blackfoot, Idaho.

# **ISDUP 100-Year Young Club**

#### MAXINE HAZEL NORTH KELLER

Maxine celebrated her 100th birthday in September surrounded by friends and family in St. George, Utah. That

fact is not too unusual except Maxine's membership num-ber is the lowest number of any living DUP member! She joined 81 years ago. Her grandparents were Utah pioneers who settled in the Charleston and Heber area of Wasatch County, Utah. In 1936 Maxine's mother, Hazel Mont-gomery North, organized a DUP camp in their Salt Lake City neighborhood. They needed additional members and Maxine was recruited. She has always been proud that she had such a low membership number, #9166. In 1977, she and Douglas Keller,

Maxine Keller

her husband, moved to Walnut Creek, California. There were many women there who were also members of the DUP and Maxine was active in the camp. They hosted lectures and luncheons and enjoyed their common bond of pioneer roots. Maxine loves sharing her ancestral stories with family and friends. She is currently a Member-at-Large.

#### JENNY CHATWIN MERKLEY

In September, the Duchesne Company held their fall Jubilee at Roy Park in Duchesne, Utah. In the true pioneer spirit, they braved the fall weather and enjoyed a nice lunch. Jenny Merkley turned 100 years young in September and the camp honored her with a cake and song. Her daughter, Jana Sweat, gave a beautiful reading of her life story. Jenny belongs to the Sacajawea Camp.

The original photo in our files is a tintype of an unknown woman and girl. Tintypes were a cheaper way to produce a photograph, which came into use around 1860, and remained popular through the 1870s. If you have any information on the identities of the two people in the picture, we'd love to hear from you.
