International Society Jughters of Utah Fioneers

Newsletter Vol. 46 No. 3 Fall Issue • September 2023

I am writing my message to you a few days after July 24, Pioneer Day. I have come away from the celebratory events including SUPerDUPer Day, Days of '47 Rodeo, Parades, Pioneers of Progress recognition night, and the Sunrise Service with a deeper appreciation of the life-long diligence and

Ellen Jeppson ISDUP President

commitment of our ancestors. I am continually in awe of their personal stories which illustrate so tenderly their choices to follow the truth as they believed it at the expense of their possessions, reputations, family ties, and in many cases, their lives. These were people who overcame unbelievable obstacles, and for me personally, influence my actions and thoughts each day.

Lee Benson, Deseret News columnist, visited the Pioneer Memorial Museum a few weeks before Pioneer Day. He wrote an article for

the paper that was published on July 21. Some of his quotes follow:

"It's been 176 years since the first permanent settlers arrived in the Salt Lake Valley by foot, wagon, handcart, and horse, and 154 years since the transcontinental railroad was completed, transforming a journey that took months to one that took days.

The estimated 70,000 people who came the hard way between 1847 and 1869 are regarded as genuine pioneers.

All of them are gone now, of course, their wagon tracks replaced by asphalt, their homesteads by high-rises, their mules by F-150s, their storehouses by Costco.

But they're not gone without a trace. Evidence of their existence abounds to a remarkable degree, thanks to the women who are their descendants.

The Daughters of Utah Pioneers, or DUP, organization has taken upon itself the privilege and responsibility of collecting

and preserving every bit of the physical pioneer past it can possibly get its hands on."

These were heart-warming, complimentary words meant for all Daughters of Utah Pioneers. And they are true! Members of Daughters of Utah Pioneers participate in the great work of following the DUP objective to perpetuate all aspects of the history of the Utah pioneers. Museums owned by DUP are managed by local Camps and Companies who carefully preserve the artifacts and photographs. Historical DUP markers are watched over by dedicated Members who gather to weed and water, polish, and clean. Histories are written, stories are told, Camp and Company officers magnify their assignments, new Members are invited, and the Legacy of the Pioneers is remembered.

The influence of the pioneers is powerful, and as I told Lee Benson, "I can feel their presence — they're watching over their things and they're benevolently helping us." I personally feel gratitude to them. I also thank all Members of DUP who devote their time and resources to the memories of their ancestors.

Daughters of Utah Pioneers will continue to ensure that our pioneers will never be "gone without a trace." We know much of what our pioneer ancestors sacrificed for us. We show our appreciation, admiration, and love to them by emulating their lives and remembering their stories.

With respect and gratitude, Ellen Jeppson

Our board members are grateful to our Recording Secretary, Vicki Chambers, for her interest in researching so many things about the ISDUP. Her story on the 40th Anniversary of the *Legacy* newsletter was in the last issue. I was a member of DUP when the first issue came out in 1983, and I remember it made me feel closer to members in other states and Canada. After going to conventions, I keep in touch with members that I have met through their stories in the *Legacy*. I hope you all enjoy reading it as much as I do.

I'm looking forward to the new lesson year and seeing many of you again. Remember, don't pass through Evanston without stopping at my house.

DUP BOOTHS AT COMMUNITY EVENTS

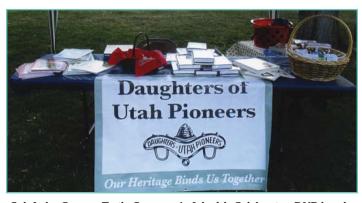

Pam Carson with City Council Member Darin Mano at the First Encampment Park Celebration.

Placing a DUP booth at community events is a great way to introduce potential members to the benefits of belonging to Daughters of Utah Pioneers. Three successful booths were sponsored by DUP Members this summer at the following events: First Encampment Celebration on July 22: Bountiful Handcart Davs Celebration on July 14: and East Millcreek Lion's Dav on July 4.

information about DUP including brochures, past lesson books, applications, sign-up sheets, pioneer taffy, and pioneer dolls. Some of the volunteers dressed as pioneers to increase interest in their booth. Many visitors came to the booths, and

interest in their booth. Many visitors came to the booths, and the interest was high as both women and men remembered their pioneer ancestors. One of the booths received names of

56 women who were interested in joining DUP.

Here is a list of suggested items for a DUP booth or Table:
• Table and table covering • Chair • Canopy for shade or rain

• DUP flag • Clipboard with sign-up pages for people who want more information, with space for name, phone number, and email address • Pens and pencils • Water cooler with ice and water • Sunscreen • Tape to attach flags, etc., to the table or canopy • Sign with the DUP logo • Trifold display about DUP • DUP brochures • Old Legacy magazines, lesson books, and songbooks for display • Candy to give away • Pioneer games and coloring books for cildren • Take photographs to be shared.

TALES OF TRIUMPH VOLUME SIX LESSON TEASERS

Pioneer Architects and Architecture (September)

The original plans for the Nauvoo Temple remained lost for over 100 years until they were returned to The Church of Jesus Christ of Latter-day Saints in 1948. The reconstruction of the temple announced in 1999 would have been impossible without them. (pp.16-18)

Hole-in-the-Rock Expedition (October)

One of the most dangerous and impossible journeys in Mormon history involved blazing a road nearly 200 miles long from Parowan to Bluff, Utah, in 1879 during the winter. (p. 49)

Pioneer Beverages (November)

Due to concerns about drinking polluted water, the settlers began brewing beer soon after their arrival in the Salt Lake Valley in 1847. (p. 115)

ISDUP RECOGNITION AND AWARD PINS

All recognition and award pins, with the exception of the Honorary Heritage Certificate and Pin, may be purchased at the ISDUP Pioneer Museum Gift Counter or at the online shop. Prices in the online shop include shipping and can be found at: isdup.org under the Shop tab. Please check the website for images of the available pins.

SENDING MAIL TO ISDUP

When mailing any materials/reports to International, do not send them by registered mail. Often mail delivery is afterhours here at the Museum and when a piece of mail requires a signature at delivery, and no one is here to sign for it, it then makes a trip to the Post Office necessary.

CHECK YOUR EMAIL FOR CAMP ROSTERS

Camp Rosters were emailed to Company Presidents on July 6. If your Company President did not receive one, contact membership@isdup.org and they will be resent. If you are a new Company President, please check with the former President so she can forward that email to you.

LEGACY OPT OUT OPTION

Printing, paper, and postage costs have risen exponentially for the *Legacy*. If recipients are comfortable reading the online version and for cost savings, please opt out of receiving it by mail when paying dues.

MEMORIAL FUND

Camps, Companies and friends may donate to the Memorial Fund to remember a deceased member or to honor a living daughter or other individual. Some camps have a tradition of sending a contribution in the name of a beloved camp member. Donations can be in any amount. The "Memorial Donation Form" is on the ISDUP website under "Other Forms." You can mail the donation to ISDUP in Salt Lake City or use Venmo @ISDUP-treasurer.

CAMP FRONTIER INDEX CELEBRATES JUBILEE

Camp President, Deanne Flake, Uinta Company, Evanston, Wyoming, drove members of **Frontier Index Camp** to Ogden, Utah, to visit the three-story Weber County Daughters of Utah Pioneers Museum located there. It includes the Miles Goodyear Cabin built in 1845.

The cabin was the first permanent home built in Utah by a white man. It was originally located on the Weber River near Fort Buenaventura. Miles' wife, who was a Native American woman, was named Pamona and they had two children. The home was only lived in during the summer months; they went to Arizona with her tribe in the winter, thus there is no opening in the roof for a stovepipe. A clay oven was near the cabin for cooking purposes. The holes in the walls were used for poles to make a sort of hammock with blankets for sleeping.

A new addition outside the cabin is a marble bench presented by the Mother's Club in Ogden that is dedicated to the children who survived or died on the Mormon pioneer trek.

The next time your camp is in the area, plan to the visit the Museum. It is well worth the trip.

DUP DAUGHTERS CELEBRATE MEMBERS IN MINIDOKA AND CASSIA COMPANIES

On Saturday, May 6, 2023, **Cassia Company** hosted their annual District Convention. Theme of the convention was "Faith in Every Footstep." Cassia Company President Cathy Lind welcomed members from Cassia County, Minidoka County, Jerome County, and Twin Falls County. Special guests from ISDUP were Madeline Barlow, Parliamentarian, and Edna Lou Baker, Regional Representative for Southern Idaho.

Cassia Company 2nd Vice President Cherry Mae Smith-Black then acknowledged centenarian Daughters in the district. **Marge Stapleman** (Rupert Company) was 101 on March 17, 2023. **Emily Williams** (Jerome Company), who recently passed away at the age of 103. **Emma Payne** (Cassia Company), was 102 in June 2023 and **Norma Edgar** (Cassia

Norma Edgar

Company), turned 101 on May 17, 2023. These ladies have had some awesome experiences in their lifetimes.

After the meeting a luncheon was enjoyed and entertainment presented from each Company. Jerome Company President Valeen Henderson introduced Steve and Kathleen Smith, who sang songs. Minidoka President June Potter introduced Deann Goodwin, who gave a pioneer story. Twin Falls President introduced Mary Talbot, who gave a

pioneer reading. Cassia Company President Cathy Lind introduced Sherrie Heward who also presented a pioneer reading. Edna Lou Baker gave closing remarks and Cathy Lind thanked all who attended and assisted with the convention. Each member was given a bar of goat soap made by Cassia Parliamentarian Elda Mullen, along with a small cloth pioneer doll.

INITIAL POINT CAMP VISITS IDAHO ARCHIVES

Initial Point Camp, Ada South Company, Idaho, visited the Idaho Archives in Boise recently. Following lunch, the daughters enjoyed a lesson about the Utah Silkworm Industry. After the lesson, the Daughters toured the excellent exhibit "President A. Lincoln, His Legacy in Idaho." The exhibit has five rooms with many artifacts, papers, and information about Lincoln representing the different phases of his life. They were then given a tour of the archives by the head archivist, who told about the many sources of information available for research.

Daughters enjoyed the replica of President Lincoln's office and cabinet room, including a table representing where the Emancipation Proclamation was signed.

SYRINGA CAMP HOLDS CLOSING SOCIAL

On May 8, 2023 members of **Syringa Camp**, Bingham South Company, Moreland, Idaho, held their closing social at the Blackfoot Family History Center. Daughters were taught many of the fundamentals of using Family Search, including hands-on instruction on navigating the website and uploading photographs. The camp loves meeting together to learn about the history of the Utah Pioneers and the importance of preserving their family histories.

The **Syringa Camp**, has a long-standing tradition of meeting at the Moreland Cemetery on the Friday before Memorial Day. They place "DUP Faith In Every Footstep" flags at the headstones of deceased DUP members, keeping alive the memories of those Daughters who have passed away.

SALT LAKE CANYON TRAILS HOLDS JUBILEE

"Past Times — Then and Now" was the theme of the **Salt Lake Canyon Trails Company** Jubilee held on May 22, 2023. Checkers, embroidery, marbles, jacks, hoppy taws, a well-used wagon, hankie babies, buzz saws, button-button, puzzles, tops, Jacob's ladders and yo-yos, were all either on display or available to try (if you remembered how) or were the centerpiece of each dining table. Tongue twisters and bingo games graced each place setting along with "Cracker Jacks" as an individual favor. Sloppy Joes and various salads were the main course with lemon bars and brownies for dessert. A fun time was enjoyed by all in attendance.

One of the tables at Salt Lake Canyon Trails Jubilee.

HATS OFF TO DUP

Members of the **Arizona Maricopa East Company**, led by retiring President Lynette Miles, celebrated at their annual Jubilee by wearing a variety of vintage fashions with the theme "Hats Off to DUP." They recognized the history of DUP in Arizona and honored eight past Maricopa East Company presidents. A clever, fun, and informative musical production, "I Pledge..." was performed on stage with a talented cast highlighting the growth and dedication of DUP in Arizona. Past Company Presidents were included in the production, which was written and scored by Joan Sowards. Hats off to Lynette, Joan, and the cast for a fabulous play.

A luncheon was then served and memories shared. We should all continue to learn and rejoice together in our pioneer heritage.

Past Maricopa East DUP Company Presidents front row: Junith Roberts (1986-1993), Melba Miskin (1999-2005), Marlene Omerza (2005-2009), Glenda Heaton (2013-2017). Back row: Lynne White (2009-2013), Joy Jones (2017-2019), Penne Hannum (2019-2021), Lynette Miles (2021-2023).

VEYO CAMP WINS NEW MEMBERS CONTEST

Veyo Camp, Washington West Company, St. George, Utah, enjoyed a soup, salad, and dessert luncheon as the winner of the new members contest sponsored by Company officers. A contest is sponsored each year for number of new camp members recruited — Veyo won the 2022-2023 contest with six new members. **Mormon Wells Camp**, Beaver Dam, Arizona, was a close second place.

The annual contest has proven to be an effective way to encourage Camp Daughters to grow their camps. Washington West Company increased its membership with 25 new members this past year.

OLD BELL SCHOOL COMPANY CONVENTION

On April 24, 2023, **Old Bell School Company**, Pleasant Grove, Utah, held their Spring Convention and luncheon. Company President Ann Barker conducted and welcomed all Company members. She reported that as of April 24, 2023, the Old Bell School Company had 137 members in seven Camps. This Company is fortunate to have a Museum located in an old school. Cabins, collections, a cemetery and historical markers are also within the area.

The Old Bell School Company Convention was fortunate to have Denice Wheeler, ISDUP Board Member and *Legacy* Editor attend as a special guest. Mrs. Wheeler gave the officer training, reviewed bylaws, and reminded us how to conduct DUP Camp meetings. The general meeting of the convention included a beautiful solo musical number by Rebecca Johnson, accompanied by Wendy Robins. Mrs. Wheeler then addressed the whole Company. She encouraged us to welcome and embrace diversity in our camps. The convention concluded with a delicious luncheon.

A LESSON ABOUT THE SILKWORM INDUSTRY

Honorary sericulturists from the **James E. Steele Camp**, Bonneville Company, Iona, Idaho, met in April for a handson experience learning about silkworms. First, an actor portraying Brigham Young instructed them in the value and benefit of the silkworm cottage industry. Each sister received a bag of hatching silkworms (candy sprinkles) to wear beneath their clothes near her heart, as her pioneer forbearers did. Next was the hunting and gathering of mulberry leaves (kale) to feed the worms, which were cut into sixteenth-inch squares with scissors. Copious notes were taken in the form of a fillin-the-blank worksheet about the do's and don'ts of raising silkworms. When the silkworms formed cocoons (cotton candy), the sisters beat the cocoons with their fingers to prepare them for the spinning of silk thread and the weaving of cloth (and then sort of ate the cotton candy). The lesson was informative and Daughters had a good time.

SARIAH CAMP CREATES NEW BANNER

The **Sariah Camp**, Fremont Company, Ashton, Idaho, created a banner to be used at their meetings and social functions to help proclaim the mission of DUP. The images in

CAMP SARIAH FREMONT COMPANY 1936 1936

the banner have special meaning to members of DUP.

The **Sego Lily** represents beauty in the lives of pioneer women and the nourishment that saved many lives provided by the root of the plant. The **spinning wheel** is symbolic of the hard

work pioneer women performed and the circular shape suggests no beginning and no end, just as their work was never ending. The **covered wagon** represents their trip West, where they endured miles of slow travel in harsh weather, suffering starvation, and other hardships before reaching their destination. The **books** represent preserving journals, histories and writings of the pioneers. Through these stories all may understand the efforts required in colonization of the West and better appreciate this heritage. The year 1901 is the year DUP was founded and 1936 the year both the Sariah Camp and the Fremont Company were established.

Sariah Camp marked many meaningful anniversaries this year and would like to honor the following Daughters: **Donalea Egbert**, 60 years; **Georgia Blanchard**, 40 years; **Connie Burrell**, **Portia Loosli**, **Barbara Moon**, 35 years; **Darlene French**, **Onalee Holcomb**, 30 years; **Joleen Parkinson**, 25 years; **Judy Heinz**, **Linn Johnson**, and **Barbara Hibbert**, 20 years.

BUTTE CAMP PLACES FLAGS ON GRAVES

In early May, members of the **Butte Camp**, Butte Company, Butte, Idaho, attended their District Convention in the Blackfoot, Idaho, area. Along the sidewalks were DUP Company flags. The members liked the flags and decided to copy the idea. The Camp Captain Tina Jensen went to work designing and making flags using her sewing talents. Camp members then researched camp members and where they were buried. Tina Jensen, Camp Captain; Jackie Stewart, Camp Vice-Captain; and Dorothy Williams, Camp Lesson Leader, started the search. They located graves in the Mackey, Leslie, Lost River, and Arco cemeteries. Daughters then placed 20 flags on the identified graves. Members will continue to keep track of deceased member graves. This is a wonderful way to honor members after they have died.

"FOOTSTEPS OF FAITH" IN ST. GEORGE, UTAH

Music, beautiful decorations, and delicious food all describe **Washington Company's** 2023 Jubilee held in St. George, Utah, on April 26, 2023. The theme of the Jubilee was "Footsteps of Faith."

Over 120 Daughters attended the chuckwagon luncheon cooked by Brittany Robertson and her "Cow Camp Crew," with spectacular entertainment by Max The Magician.

Along with the food and fun, new company officers were sworn in by Company Parliamentarian Sally Paxman: Linda Lees, President; Dana McConnell, 1st Vice; Lorraine Rice, 2nd Vice; Vickie Brooks, Recording Secretary; Kayleen Potter, Corresponding Secretary; Diane Purser, Treasurer; Joan Taggart, Registrar; and, Lynnette Poulsen, Historian.

One hundred and twenty-six years after the first Jubilee was held in 1897, Washington Company is proud to honor those pioneers who were the first to enter the Salt Lake Valley. We pay tribute to the legacy they left us. After all, "We are daughters of those grand old pioneers" and we follow their footsteps of faith.

Pioneer Women of Today

ALICE ALLRED TURNS 100

Alice Allred, a member of **Calico Camp**, Utah Springville-Mapleton Company, Springville, Utah, turned 100 years old in May 2023. She has been an active member

Alice Allred

of the Camp since July 1997 and comes faithfully to each meeting. The Camp celebrated her birthday at their May meeting. Her words of wisdom for living a long life are "devote yourself to the gospel and your family, marry a good man, and get a good night's sleep." She has six children, 45 grandchildren, and many great and great great grandchildren. The most influential changes during her lifetime were modes of transportation and increases in technology.

ROBIN BENNION HONORED

Robin Bennion, a 66-year member of East Millcreek Neff Camp, Salt Lake Canyon Trails Company, Millcreek, Utah was recently honored as Millcreek's "Citizen of the Year" for 2023. She rode in the East Millcreek Lion's July 4th Parade in a convertible driven by her daughter, Brooke Bennion. Robin joined DUP in 1957. Her daughters, Jane Bennion #96729, Brooke Bennion #96730 and Brooks' daughter, Tatum Jensen #96731, are recent members (note the consecutive membership numbers). Company President Jeneal Wilson, presented Robin with a 60-year membership pin. DUP is definitely in Robin's family DNA. Congratulations, Robin.

Pioneer Mysteries

Thank you to those who follow this column and help to identify our mystery photos.

This "mystery" photo is only a partial mystery. The three girls in the photo are identified on the top as "Edith & Rebecca Smith and Mell Woolley." The Edith Smith may possibly be Edith Ann Smith, born 5 Aug 1861 in Salt Lake City, Utah. However, we are unable to make any guesses as to the identity of the other two girls. Also, we are not sure which girl is which. If any of you can give us some help with this, it would be greatly appreciated.

If you recognize the image or think you might know who these ladies are, please contact the Photo Department at photos@isdup.org.

GUNNISON MASSACRE REPLACEMENT PLAQUE

West Millard Company held a Jubilee in April to celebrate the updating of the Museum display and the anticipated new plaque for Marker #447 "Gunnison Massacre Site." The plaque is near the town of Deseret where the massacre took place. The Company decided to have a new plaque made with a photo of Captain Gunnison on it for the museum display. An image of the plaque (shown in black) was made so they could celebrate their efforts at the Jubilee.

MARGUERITE MOWER VISITS MARKERS

Marguerite Mower, City Creek Canyon Camp, Salt Lake North Company, has visited 518 of the 582 total markers in Utah, Idaho, and Nevada. She has been very helpful in updating addresses and providing details about damaged markers and making presentations to various DUP groups for their Jubilees about the markers she has visited.
