Newsletter Vol. 44 No. 3

Dear Daughters,

What a great summer this has been! We celebrated the

Ellen Jeppson ISDUP President

174th anniversary of the July 24, 1847, Vanguard Company entrance into the Valley of the Great Salt Lake. Our Days of '47 Royalty — Sophia Lowry, Adelyn Eisenach, and Arianna Haner represented Daughters of Utah Pioneers with dignity and grace in all of their engagements. We hope all of you experienced local celebrations for this special day.

As we emerge from the restrictions of the pandemic, we encourage company and camp officers to continue to make careful decisions

about DUP gatherings. Please consider all recommendations and guidelines from local government and health department entities as you plan for the new DUP year.

Training that would have been provided for DUP Officers at the International Seminar is available online from our website at ISDUP.org. A wealth of information is here for Company Presidents, Camp Captains, and all Daughters including:

- 2021 Seminar Training. This training can be accessed by all Daughters. This is provided in five videos:
 - President's message including Treasurer report
 - Officer training for all officers including training in using the website
 - Treasurer training
 - Secretary training
 - Registrar training

• Monthly Bulletin. The bulletin is written to answer questions, give direction, and remind companies and camps of activities, events, deadlines for reports, and general information.

Fall Issue • September 2021

• Announcements affecting Daughters of Utah Pioneers, information about the organization, application papers, online store, lesson pictures, music recordings for camp meetings, and much more!

I encourage you to visit our website where you can find answers to your questions and training for your responsibilities. It has been fun for us to prepare these materials for you, and we hope you will use and enjoy them as you guide your companies and camps in honoring our pioneer ancestors.

The cancellation of our 2021 International Convention because of COVID restrictions made it impossible for us to conduct the elections for International Board Members this year. Thus, the current International officers will remain in their positions until the next election meeting to be held in 2023, as per the *Constitution and Bylaws* of our organization.

We know much of what our pioneer ancestors sacrificed for us. We show our appreciation, admiration, and love to them by emulating their lives and remembering their stories.

With respect and gratitude, Ellen Jeppson

From the Legacy Editor

It is so wonderful to hear from a member with suggestions to improve the *Legacy*. It is amazing that, over the years, we have not thought of some of them. A daughter called to say that she wished we listed the town our stories came from in addition to the Camp and Company. She said that she would like to visit the sites if she knew where they were. This is a great suggestion and we will follow up on this in future issues. I love the phone calls, e-mails and letters regarding the *Legacy*. Suggestions are most welcome and your interest is greatly appreciated.

SUPer DUPer DAY AT THIS IS THE PLACE HERITAGE PARK

Let me state up front in this article that I am going to break all the rules of being an editor. You will understand why as I continue.

An exciting day was held at This is The Place Heritage Park to honor Sons of Utah Pioneers and Daughters of Utah Pioneers. On July 20, a huge audience was in attendance to hear President Dallin H. Oaks speak. He encouraged everyone to write the histories of their ancestors. He and his wife had done this, and produced a book for their family.

My name is Denice Dallin and my great uncle (the brother of my grandfather) was Cyrus E. Dallin, the sculptor of the Angel Moroni on The Church of Jesus Christ of Latter-day Saints temples and also the Brigham Young Monument on State Street in Salt Lake City.

I had always been told by my family that President Oaks was named after Cyrus Dallin but never knew for sure. It was a joy to confirm with him that the story is true.

It was a very special day and many of the ISDUP Board members were in attendance.

President Dallin H. Oaks speaks at SUPer DUPer Day inside the newly dedicated Pioneer Center at This is the Place Heritage Park.

DAYS OF '47 PIONEERS OF PROGRESS AWARDS

Seven individuals were honored in various fields for contributions to their communities, state, and nation at an Awards Banquet held July 15 in Salt Lake City. 2021 Award winners were: Lincoln D. Nadauld, Science and Technology; Paula Fellingham, Education; Eugene "Gene" Knight England, Business and Enterprise; Justice Constandinos "Deno" Himonas, President's Award; Dan Shaw, Sportsmanship and Athletics; The Piano Guys (Paul Anderson, Jon Schmidt, Al van der Beek, and Steven Sharp Nelson), Historic and Creative Arts, and Donald L. Harwell, Legacy Award.

Of special interest to *Legacy* readers was the award to Paula Noble Fellingham. Paula Fellingham received her Doctorate of Education in Human Relations. Fellingham has received awards from Presidents George W. Bush, Barack Obama and Donald Trump for her global service to women and is the founder of the Women's Information Network. Remember — October 15, 2021 is the deadline for articles to be included in the Winter Edition of Legacy

ISDUP MARKERS

There are 590 ISDUP markers and Daughters are the stewards of their care. Thank you for taking responsibility for them. It is great fun to see our markers and read them as we travel. Be sure and visit them.

GRAVE MEDALLIONS

A wonderful memorial to a deceased member is to purchase a Headstone Medallion for their grave. They can be purchased from the ISDUP office. Many members have a family reunion after they attach the medallion to the headstone and it is a very special occasion.

MARKER #73

The Pioneer Silk Industry Marker #73 carved by Douglas Fairbanks on Church property at 1800 East Herbert Avenue in Salt Lake City has been refurbished. The rededication will be held this fall.

THIS AND THAT

- 419 new members have joined DUP in the past fiscal year during the COVID-19 pandemic.

CARMA VITERNA HONORED

On October 14, 2020, **Carma Kartchner Viterna** thought she was only to give a brief history of Camp Sage, Ogden South Weber Company. She has been a part of the

Carma Viterna

Company Secretary. In preparing for the request of a history, she found a history of Camp Sage that had been written about 1994

Camp for over 45 years. Her

service as a charter member

has been either as a leader in

every Camp position or as

and covered a span of years from 1972 to 1994. It was a sweet memory "trek" for her and she used that as a basis for her presentation. Her tribute to the Camp daughters over the years was, "I have always had a good time and enjoyed the friendships along

the way. It takes everyone to take a turn to keep it going."

This turned out to also be the introduction and tribute to her for over 45 years as a member of the Daughters of Utah Pioneers.

Camp Captain Norma Love then presented the unsuspecting Carma with a 45 year pin and a bouquet of flowers. The appreciation of her faithful service then erupted into enthusiastic applause. She is still faithful in attending the meetings, giving lessons or histories, currently serving as secretary, and is a bright spot in Camp Sage's circle of friends.

FRANCIS CAMP MAKES TREK

The Francis Camp, Summit Company, has completed a pioneer trek from upper Echo Canyon to This is the Place Heritage Park. It was a very long trek, which started on 12 September 2019, and was not completed until 9 June 2021 (due to COVID-19 restrictions). In 2019 an enthusiastic group of nine daughters and four guests traveled from Francis, Utah, to Echo Canyon, then along the Mormon Pioneer Trail to Mormon Flats near East Canyon Dam, stopping along the way to learn about the Utah War, railroad and other pioneer stories. In 2021, six daughters and four guests started their trek at Camp Grant, near Mountain Dell and traveled to the top of Big Mountain and then back along the trail to This is the Place Monument. Daughters and guests enjoyed stories about some of our pioneer ancestors, the Pony Express and the Donner Party. The Daughters had lunch at the plaza outside the new Pioneer Center.

WASHINGTON WEST COMPANY INSTALLS OFFICERS

GREEN FLAKE REMEMBERED ON MEMORIAL DAY

The Daughters of Salt Lake Far South East Company gathered on May 31, 2021, for a Memorial Day flag raising ceremony at the Union Fort Pioneer Cemetery. The program featured the posting of colors by Boy Scout Troop 4, Pledge of Allegiance and singing, and remarks by Company President, Mavis Glad. Mavis spoke on the life of notable African-American pioneer, Green Flake, who is interred at the cemetery. Flake was one of only a few Negro slave Saints to make the overland trek to the Salt Lake Valley. Mavis's subject was timely, as the biographical film "Green Flake" was released in June. A distinctive, obelisk-style grave

marker stands on the west side of the cemetery as a memorial to this little known, but very special pioneer.

PIONEER HOME IN LAYTON, UTAH

This beautiful pioneer home was constructed over time in four sections by pioneer Stephen Henry Nalder and his wife, native pioneer Catherine Forbes Nalder, in Layton, Utah. In 1882 it was move-in ready. The house was made of adobe brick and had eight big rooms including a pantry. It also featured a summer kitchen outside where Catherine could cook for the many farmhands and her growing family. Eight children were raised in this home. Catherine Nalder became a member of Daughters of Utah Pioneers in her later years, joining the Columbine Camp. Stephen Nalder was a remarkably successful farmer and businessman and eventually owned 500 acres of land and became prosperous.

In 1979, a grandson, Ralph Firth, and his wife, Kathryn, restored the inside of the home and added plumbing and electricity. In 1984, their daughter, Andrea, and her husband, Lynn Speirs, moved in and are the current owners. Andrea is a member of Daughters of Utah Pioneers belonging to Charity Camp.

Do you have a photo or painting of an ancestral home you would like to share with the Daughters of Utah Pioneers Photo Department? We would love to have more photos of pioneer homes to add to our collection in our photo archives.

HANS HANSEN HOUSE MUSEUM DEDICATED

Fort Ephraim Camp, Sanpete South Company, Ephraim, Utah, held a Grand Reopening and Dedication of the Hans Hansen House Museum and buildings at Pioneer Park. The event was held on May 30, 2021, in conjunction with Memorial Day and Ephraim's yearly Scandinavian Days Festival. Troy Birch, President of the Ephraim LDS Stake gave the dedicatory prayer and Carolyn Christensen, Fort Ephraim's Camp President, cut the ceremonial ribbon. In 2019, the Camp decided to try and raise enough money to renovate the Hans Hansen House, which had some major issues due to age. Originally built in 1862, the Hansen home was one of the first large homes built outside of the Ephraim Fort. A committee was formed that included Carolyn Christensen, Captain; Karma Barlow, 1st Vice Captain; Linda Stewart, 2nd Vice Captain; Sarah Thomas, Treasurer, and Maurine Ramos, Artifacts. Other members of the committee were men from the local chapter of the Sons of Utah Pioneers.

Standing left to right: Maurine Ramos, Carolyn Christensen, Ron Snowden, President Troy Birch. Front left to right: Gay and Larell Sparks, descendants of Hans Hansen.

"BRIGHAM YOUNG" VISITS ARIZONA JUBILEE

An unexpected visitor, "Brigham Young," recently surprised DUP members at the Maricopa East Company Jubilee in Mesa, Arizona. Brother Brigham was delighted to join the celebration to commemorate his birthday, witness the installation of new Company officers, and enjoy a uniquely clever program. In record time, all of the Camps performed a pioneer drama, a comedy, a slide show, violin (fiddle) pioneer medley solo, choral duets, quartets, sextets, dancing, poetry, and comic games. From laughter to tears, with reverence and hilarity, an era was honored, ancestors exalted, and the friendships and pioneer spirit of DUP were renewed.

Members of Superstition Mountain Saguaro Camp are from left to right: Ronna Goodmansen, Herberta Millett, Lynette Miles, Melba Miskin (completely hidden behind Melba is Lynda Philbrick), Bonnie Carroll, and Karen Osborne.

MARTIN HARRIS CAMP CELEBRATES 100TH BIRTHDAY

The **Martin Harris Camp**, Cache Far North Company, Clarkston, Utah, celebrated their 100 Year Birthday by entering a float in the town's parade celebration. The float depicted their DUP Museum that has recently opened and invited all to come visit them. In addition, ISDUP invited the camp to host a fireside, as an outreach program, for a Tooele Youth Conference that visited the gravesite of Martin Harris. The Camp invited locally renown speaker, LeRoy Goodey, to share the many testimonies and stories of Martin Harris, a witness to the Book of Mormon, to over 80 people in attendance.

From left to right: Elaine Goodey, Grace Godfrey, Cris Marriott, Phyllis Griffin, Darlene Thompson, Nancy Thompson, Jaydene Godfrey, Jeaniel Sauer, Captain. The children are Daughter's grandchildren.

Back row: Joyce Cowley Owens, Jan Cowley Brimhall, Jeannie Cowley Dickinson. Front row: Vera Ford Forbush and Margaret Forbush Cowley.

Her mother, **Vera Ford Forbush**, was a member of the Monroe Mountain Camp, Sevier Company, for 47 years. Her oldest daughter, **Mary Jean Cowley Dickinson**, is a member of Millennium Heritage Camp, Clark Nevada Centennial Hills Company, and has been a member for 12 years. Her second daughter, **Jan Cowley Brimhall**, has been a member of DUP for 11 years and is in Pioneer Camp, Utah Provo Company. Her youngest daughter, **Joyce Sharon Cowley Owens**, is a member of the Millennium Heritage Camp, Clark Nevada Centennial Hills Company, and has been a member for eight years. The five women have loved and served in DUP for a total of 143 years.

FAMILY DUP HERITAGE

On Mary 25, 2021, the **Pioneer Camp**, Utah Provo Company, had their first "in-person meeting" of the year. They welcomed a special guest to their luncheon meeting, **Margaret Forbush Cowley**. She is the mother of Pioneer Camp Captain, Jan Cowley Brimhall.

Margaret Forbush Cowley is a member of the Honorary Heritage Section of the International Society Daughters of Utah Pioneers and has been a member of DUP for 65 years.

BEAVER COMPANY HOLDS JUBILEE

Beaver Company held their Jubilee on June 4, 2021. They had a giant birthday party to celebrate Beaver Company turning 100 years old in October. The first DUP camp in Beaver was organized in September, 1921, and the Company was organized in October, 1921. Leah Glenn, the fifth daughter from the left on the first row standing, received her 50 year pin.

BLACKFOOT NORTHWEST STAKE RECREATES HANDCART TREK

The sun felt vicious as it beat down on families as they pushed two-wheeled shallow-boxed handcarts. The strong heavy wind didn't help as it blew dust over and into everything around it. The handcart companies faced many dangers on their journey: lack of food and water, Indian attacks, rattlesnake bites, and disease. The Blackfoot Northwest Stake recreated this event in July 2021, as they took the youth on a Trek. The idea was to both honor and learn from their pioneer heritage. In preparing for the Trek, the youth needed pioneer outfits. The Moreland Trail Camp of Bingham South Company took on the challenge to help the youth have the best experience possible. They made and donated 65 aprons for the young women to use. One of the daughters in our camp helped one of the young women make an additional 20 aprons for their ward, bringing the total donation to 85. The youth were able to have a phenomenal experience. It was hard and wasn't always fun, but well worth it. As Daughters of the Utah Pioneers we were honored to be able to participate and connect with the youth in this way. This was an Outreach project for our camp. Placed in the pocket of each apron was a little tag stating, "Made for you by Daughters of Utah Pioneers - Moreland Trail Camp - Remembering our Pioneer Heritage."

The mystery photo for this issue of *Legacy* is a *Carte de Visite* taken in Salt Lake City by Edward Martin. The identification written on the front of the image is Bro & Sis Bennett. We have no other information on this couple and would like to be able to tell their story.

Edward Martin began his photography career in Salt Lake City in 1865. He concentrated on portrait photography and specialized in *cartes de visite*. These photos are mounted on cards the size of a calling card. Edward Martin continued in the photography business until around 1874 when he probably gave up due to competition from more prominent photographers. Martin died on August 8, 1882.

MARKER #589 "OLD FLOUR MILL" DEDICATION, FOUNTAIN GREEN, UTAH

Dedicating markers is always a special occasion, but when you can celebrate two events, it is even more fun. In addition to the marker, the event was held in a newly restored opera house. This beautiful building on the Main Street of Fountain Green is used for a variety of events. With a huge auditorium, a room with crystal chandeliers and rooms for offices, it is special to the town.

Visitors were welcomed by Uinta Springs Camp Captain, Yvonne Hansen. Remarks were made by Annette Hansen, Sanpete North Company President. A musical number was performed on flute by Holly Carroll. Remarks were made by Ellen Jeppson, ISDUP President; Mary Shumway, Marker Chairperson and Yvonne Hansen, Camp Captain.

An interesting history of the flour mill was given before guests left for a tour of the marker. Refreshments and water were provided by the Camp.

The beautiful town of Fountain Green should be on your list of travels. It is just east of Nephi and is well worth the drive.
